

## Dance Attire

All of our dancers are expected to follow our studio dress code:

- A leotard and tights must be worn in each dance class.
- Tight fitting dance shorts and camisole tops are allowed on top of your leotard and tights.
- Dancewear should not have writing or graphics on it.
- Long hair should be tied back into a tight fitting bun.
- Shorter hair should be secured as much as possible by the use of hair clips, bobby pins, and small hair elastics.

We know you have many choices of dance schools. We'd like you to know what your dance experience will look like if you choose to register at DMSOD. All classes at our school focus on teaching proper technique. We focus on student's health and wellness, being part of a team and of course, having fun!

We look forward to seeing all of you this summer, and can't wait to make some more dance memories!
